Dear Parents,

Greetings & Welcome to MLZS family!!!

***“A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe.”***

*With this thought,* we are looking forward to a productive partnership with you to ensure that children achieve their highest potential. We share the responsibility for our children’s success and want you to know that we will do our very best to carry out our responsibilities. We would like to invite you for the ‘Virtual Parent Orientation Session’. This is the platform for parents to get familiarized about the school policies, processes, system, teachers and new programs introduced and practised at the school.

Kindly note the schedule:
